What exactly is BUSD?

- BUSD is a **1:1 USD-backed stable coin approved by the New York State Department of Financial Services (NYDFS)**. It is issued by Paxos in partnership with Binance and can be issued and redeemed without any extra fee.
- Paxos issues BUSD on the Ethereum block chain. In addition, Binance offers a wrapped BUSD token (Binance-Peg) on **BNB Chain**.
- **Please note:** Binance-Peg BUSD is a Binance product; it is not issued by Paxos nor regulated by the New York State Department of Financial Services.
- They are also tradable on popular non-custodial trading platforms, such as **Binance DEX**, **Curve Finance**, and **Uniswap**.
